

Chicago Capital Partners is a private equity firm which primarily makes control investments in lower middle-market companies with \$2-10 million of EBITDA in the following industries: **business services, consumer products, distribution, food and beverage, and niche manufacturing**. Our fund structure and investment mindset promote building business partnerships and creating value over the long-term.

OPERATIONAL PERSPECTIVE

- Decades of private equity, operational, and family business experience
- Helped businesses through phases of growth and ownership transition
- Understand the nuances and dynamics inherent in smaller and family-run businesses

PARTNERSHIP FOCUSED

- Partner with strong management teams which continue to run the day-to-day operations
- Alignment of interests
- Collaborative problem-solving and decision-making
- Preserve company's culture
- Open and transparent communication

LONG-TERM VIEW

- Investor base allows for patient capital
- Operators' perspective enables us to focus on **what's best for the business**
